Osaka University
Toward an Institutional Repository as a Center of Excellence in the Field of Fusion Science - The Feature and the Goal -

National Institute for Fusion Science

NIFS as a Center of Excellence in the field of fusion science

~ 80% of all the NIFS papers are submitted to Super Green or Green Journals.

“ORIBE” is now under construction by the Research Information Office (RIO) in cooperation with the Library, the Fusion Science Archives and the Public Relation Office.

ORIBE will contain:
- Articles published in scientific journals,
- Research Reports published by NIFS,
- Annual Reports of NIFS,
- Presentations at International Conferences,
- Others.
