O U K A <http://ir.library.osaka-u.ac.jp/>

- **What is OUKA ? (Osaka University Knowledge Archive)**

A service system for collecting, saving intellectual products of Osaka University and providing them to the public free of charge.

- **What kinds of benefits we get by placing your doctoral thesis on OUKA ?**

For you → It provides so many people in the World with easy access

The doctoral thesis is a crystallization of your efforts for several years. Isn't it great and splendid that your research results full of good ideas, trial and errors come to the world's notice ?

For Readers → It makes easier to access your thesis

Until now, those who want to read your thesis have to come to the library, contact you and get your permission for copying it. Digitizing and Opening on OUKA makes these processes unnecessary.

For University → It helps University fulfill an accountability to the public

OUKA conserves any kind of digital data most likely to be lost easily. It also contributes to the practice of University's accountability to the public about activities of education and research.

- **Please just give us your consent to digitize and open !**
