The University of Osaka

Editorial Policy

The Osaka Daigaku Keizaigaku (English title, Osaka Economic Papers) is published quarterly by the Economic Society of Osaka University and the Graduate School of Economics, Osaka University. The articles may be either in Japanese or in Western languages.

The Journal shall be under the editorial direction of an editorial board of three persons chosen from members of the Graduate School of Economics of Osaka University. The editorial board shall select papers for publication from submissions and classify them into the following categories : articles, notes, data, and book reviews.

Researchers who belong to the Graduate School of Economics of Osaka University may submit their studies for publication to this journal. Those who do not belong to the Graduate School may also publish their papers in this journal, if their contribution is closely related to research being undertaken in the Graduate School of Economics of Osaka University.

In the case of contributed manuscripts, the author should be a member of the Economic Society of Osaka University, who has paid the yearly membership fee of 4,000 yen.
